6) SUBCONTRACTORS: Except for subcontracts with Contractor's designated fulfillment partners ("Designated Subcontractors"), Contractor shall not subcontract, assign, or otherwise transfer its
obligations under the Master Agreement and this Participating Addendum without Enterprise Services’ prior written consent. Violation of this condition shall constitute a material breach establishing grounds for termination of this Participating Addendum.

(a) **Subcontractor Authorization.** Contractor is authorized, without additional Participating State consent, to utilize its Designated Subcontractors to provide sales and service support to Purchasers hereunder; provided, however, that such participation shall be in accordance with the terms and conditions set forth in the Master Agreement and this Participating Addendum. Contractor shall maintain a list of such Designated Subcontractors utilized for this Participating Addendum, and, upon request, promptly provide Enterprise Services with such list and any updates.

(b) **Contractor Responsibility for Subcontractors.** Contractor shall be responsible to ensure that all requirements of the Master Agreement (including, but not limited to, insurance requirements, indemnification, Washington state business registration, etc.) flow down to any and all Designated Subcontractors. In no event shall the existence of a subcontract between Contractor and its subcontractor operate to release or reduce Contractor’s liability to the Participating State or any Purchaser for any breach of the Master Agreement or this Participating Addendum. As to Participating State and Purchasers hereunder, Contractor shall have full and complete responsibility and liability for any act or omission by Contractor’s Designated Subcontractors. As specified in the Master Agreement, Attachment E, Section 8.C, this Subparagraph (b) does not apply to third party suppliers of components of the CGI System, whose warranties and other contractual commitments CGI will pass through to the State to the maximum permissible extent.

(c) **Purchaser Payment Regarding Contractor’s Designated Subcontractors.** Notwithstanding any provision to the contrary, the parties understand and agree that for any contract sales or service provided pursuant to the Master Agreement and this Participating Addendum, Purchaser payment shall be made directly to Contractor as the awarded vendor pursuant to the competitive procurement; provided, however, that, in the event any such sales or services are performed by a Designated Subcontractor for Contractor, Contractor may instruct such Purchaser to make payment for such sales or services to Contractor’s identified Designated Subcontractor. Regardless of whether Contractor instructs a Purchaser to make such payment to Contractor’s Designated Subcontractor, Contractor shall remain responsible for performance.

(d) **Contract Sales Reporting.** Notwithstanding any provision to the contrary, Contractor shall report to Enterprise Services total contract sales, delineated by purchaser, made by each individual Designated Subcontractor and also report total contract sales, delineated by purchaser, on a consolidated Contractor ‘roll-up’ basis. Contractor shall maintain records supporting such reports in accordance with the Master Agreement’s records retention requirements.

7) **Orders:** Unless the parties to the Order agree in writing that another contract or agreement applies to such order, any Order placed by a Participating Entity or Purchasing Entity for a Product and/or Service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions of) the Master Agreement as conditioned by this Participating Addendum.
8) **General:**

(a) **Public Information.** This Participating Addendum, all related documents, and all records created as a result of the Participating Addendum and Master Contract, are subject to public disclosure as required by Washington's Public Records Act, RCW chapter 42.56. Consistent with the Public Records Act, to the extent that any such Contractor document or record—in whole or in part—includes information exempted or protected from disclosure by the Public Records Act, Contractor may mark such document or record—the exempted or protected portions only—with the specific basis for protection under the Public Records Act. In the event that Enterprise Services receives a public records disclosure request that pertains to such properly marked documents or records, Enterprise Services shall notify Contractor of such disclosure request and of the date that the records will be released to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining such disclosure. In the event Contractor fails to file a motion for a court order enjoining such disclosure, Enterprise Services shall release the requested documents on the date specified. Contractor's failure properly to identify exempted or protected information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are protected or exempt from disclosure.

(b) **Integrated Agreement; Modification.** This Participating Addendum and Master Agreement, together with its exhibits, set forth the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. This Participating Addendum may not be modified except in writing signed by the Parties.

(c) **Authority.** Each party to this Participating Addendum, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Participating Addendum and that its execution, delivery, and performance of this Participating Addendum has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

(d) **Electronic Signatures.** A signed copy of this Participating Addendum or any other ancillary agreement transmitted by facsimile, email, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Participating Addendum or such other ancillary agreement for all purposes.

(e) **Counterparts.** This Participating Addendum may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Participating Addendum at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Participating Addendum.
